Richard Proudfit one of "Eleven Who Care"

KARE 11, a Minneapolis television station, has named Richard Proudfit, Kids Against Hunger's Founder and President, one of the "Eleven Who Care". The Eleven Who Care program recognizes the amazing efforts of volunteers and promotes the spirit of volunteerism that is so important to this community. Each year, eleven grassroots volunteers are recognized through this program and KARE 11 is honored to tell each and every story. Since its inception, the program has recognized over 286 outstanding volunteers. Their individual stories air throughout the year on KARE 11 newscasts. Each month a different honoree ...is featured during a special "Eleven Who Care KARE 11 Extra." In addition, an \$1,100 donation is made to a non-profit organization in each honoree's name.
